**LA7044 - 38mm deck filler with full kit**

- 38mm deck filler tank
- 3/8" brass breather and 1.5mt hose and Ronstan breather outlet
- Wema Sender
- VDO Black faced Gauge

**Measurements:**

- Rotationally moulded from plastic so it won't rust.
- 50 Litres, 13.2 Gallons
- Brass fittings in tanks so no rusting
- Complete with a pick up with a 3/8" tail for your fuel line. A 1/2" breather tail is also supplied.
- The tank is baffled so fuel will not swish around and cause expansion.
